

Children's Tournament of
CHAMPIONS
ATHLETIC EVENTS FOR SPECIAL CHILDREN

Mr. Raymond Vogel
MC USBC Association Manager
33 Unity Drive
Brick, NJ 08723-0454

Dear Lou, Ray and all MC USBC Members,

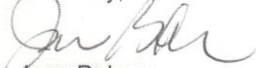

On behalf of all the Learning Disabled and Physically Challenged children participating in the New Jersey Tournament of Champions programs, I would like to Thank-you for your generous donation of \$250.00, which was presented to me on June 10, 2009 at the Celebrity Scoop Night event.

With your donation, we will be able to continue the quality Bowling Program that we offer to about 2, 000 school age Learning Disabled and Physically Challenged children throughout the state. Our Bowling program is the most popular program that we offer.

Our children love to bowl! Seeing the smiles on their faces knocking down all ten pins or even just one pin, an accomplishment for most, is truly rewarding for us. All of our children are awarded 1st, 2nd, 3rd or 4th place medals at the end of our program and seeing their enjoyment receiving their medals is certainly what makes these children "special" and why we are so dedicated to enriching their lives with the sport of bowling. When bowling, our children do not have to worry about their disability – only their ability!

Thank you again for your generous donation.

Sincerely,

Jean Bohn
Executive Director – NJ Tournament of Champions
