There is no combination that cannot enter. Different partners may participate one time on each squad.

**AVERAGES:** Will be based on the following (A), (B), and (C) definitions:

- (A) A bowler will use the highest previous season's average based on a minimum of 21 games from Winter 2017-2018.
- (B) If no 2017-18 Winter average, then use highest 2017-18 Summer average of 21 games or more.
- (C) Any average obtained from a sport or challenge pattern, the average will be adjusted based on the USBC average conversion chart\* (see link below)
- (D) A bowler who does not have a previous season average shall be accepted on the basis of the highest 21 or more games average of the current regular season at the time of entry mailing. **A WRITTEN VERIFICATION OF CURRENT AVERAGE AS OF MAILING DATE MUST BE SUBMITTED WITH THIS APPLICATION.**
- (E) If neither of the above exists, a bowler will be assigned an average of 230.
